

KITCHENER, ON, Oct. 27, 2008

The Gallery on the Grand is pleased to announce that its new gallery building received a City of Kitchener 2008 Urban Design Award. The gallery received the Award of Merit because of the use of high quality building materials, incorporation of interesting signage and architectural elements and for pioneering the mixed use redevelopment of the Lancaster Street West Corridor.

*"We are proud of our new gallery, and would like to thank Rick Reichard for designing a building that is both welcoming, and stunning and a beautiful addition to the community,"* said Alison Burkett, owner of Gallery on the Grand.

The Gallery opened in March 2008 and is located at 580 Lancaster St. W. Kitchener.
